Re: *Berman v. Neo@Ogilvy LLC et al.*, 14-4626cv

Dear Ms. Segal:

This firm represents the Defendants-Appellees, Neo@Ogilvy LLC and WPP Group USA, Inc., in the above matter. We write to advise the Court that Defendants-Appellees will not be pursuing a petition for writ of certiorari with the Supreme Court of the United States. Thus, we are requesting that this Court issue the mandate so that the case can proceed before the District Court on remand.

Sincerely,

A handwritten signature in black ink, appearing to read 'Jennifer T. Klausner'. The signature is written in a cursive style with a long, sweeping underline that extends to the right.

Jennifer Tafet Klausner
